Course options and levels

Your choices for your future

Are you looking for a short-term programme or long-term studies? Is your study-abroad trip a combination of holidays and studies, or do you want to improve your language skills for professional reasons? With us you have the choice between a vast selection of courses. Whichever option you choose, study-abroad period and the language certificates are a great addition to your resume, as periods spent away from your home country indicate open-mindedness and intercultural awareness.

Quality assurance

The key to Languages Abroad's success is that no matter how much we grow as an organisation we never lose sight of the principles on which Languages Abroad was founded. With schools located in some of the world's top destinations and a dedicated international team, we are committed to providing the highest quality service.

Qualified professional teachers

It is no coincidence that we have been at the forefront of providing language opportunities for over thirty years.

We strongly believe that our teachers are our main asset. It goes without saying that all our teachers are qualified professionals. They are all highly motivated and committed to providing the highest standard of language teaching. All our teachers follow a course structure which is designed to take the diverse needs of all our students into consideration.

Steps to success: analysis of your current language level

Prior to your first lesson you will take a language assessment test covering grammar as well as vocabulary. This will ensure that you are assigned to a class with students of the same level. The grid below proposes the length of time it should take to reach your desired target. Please note that this table is based on an intensive course of 30 lessons per week (1 lesson = 45 minutes). The recommended duration to reach your goals will also vary according to individual skill, age and prior language exposure, amongst other factors.

Although it is normal to spend 12 weeks at a level, it is sometimes possible to advance to the next level after 8 weeks of study. Policies regarding this vary from school to school.

Your goals

Present level

C2 - Proficiency Having acquired a perfect command of the grammar and vocabulary, you can communicate almost as effectively as a native speaker.

C1 - Advanced You are a confident communicator but sometimes there is a lack of vocabulary in specific areas. You can express your opinion with great fluency and accuracy.

B2 - Upper Intermediate You have a good level of competence and you are able to deal with the nuances of the language. You are able to discuss everyday topics and follow conversations.

B1 - Intermediate: You have a good comprehension of most non-specialist texts and a very good understanding of grammatical construction.

A2 - Pre-Intermediate You are able to spontaneously deal with all kinds of situations, write letters, and read simple newspaper articles.

A1 - Elementary You are able to talk about everyday activities and use basic grammatical constructions. You can understand simple messages, instructions and directions.

Beginner You have had little exposure to the target language either in your education or at work.

University Pathways, our steps to your success!

University Pathways

With Languages Abroad you can achieve the language level and grade required to enter the university of your choice. To apply for our university placement you require: an intermediate level of the language spoken at the university + all the necessary academic qualifications requested by the university for the course of your choice.

University requirements vary according to country and university: Applicants for undergraduate courses must have completed college or high school while students interested in a postgraduate degree generally need a good bachelor's degree.

Many courses or universities also have specific entry requirements. Students need to meet the language requirements for higher education: Courses in Germany require applicants to pass DSH or TestDAF. In the UK, North America and Malta universities usually require an IELTS score of 6.0 or a Cambridge Advanced certificate (or TOEFL equivalent) for undergraduate and IELTS 6.5-7.0 or a Cambridge Proficiency certificate (or TOEFL equivalent) for graduate courses. Foundation courses require an IELTS score of 4.5 - 5.5 (or TOEFL equivalent). Our preparation courses will help you achieve the grade required. Students joining our programme with intermediate language knowledge and fluency can usually reach the level required to join a university foundation or undergraduate course within 24 weeks. (Duration: min. 12 weeks)

THE CANADIAN CAPITAL

The magnificent architecture lining the river Ottawa along Parliament hill is a sight to behold.

Our school in Ottawa, located in the very heart of the city, has been built around the philosophy of 'Total Student Care'. In practice this translates in to support being offered for every aspect of a student's life in Ottawa: academic and cultural counselling, extra-curricular activities, accommodation options, and of course a warm welcome every day. Our school is a mini United Nations of 20-30 different nationalities, learning English together in a warm and nurturing environment. With us students gain a valuable education in language, culture and world citizenship.

In the unlikely event the school is unable to create a group course due to an insufficient number of students of the same level, smaller classes for a reduced number of lessons will be provided instead (standard = 12 lessons / intensive = 18 lessons). Under the rare circumstances of our being forced to cancel, all fees paid for Languages Abroad services will be refunded.

4. Visa: In order to provide the letter of acceptance required by the embassy for issuing a visa, 40% of the total amount + the \$200 registration fee should be paid together with an additional charge of non-refundable 65GBP/80EUR/\$120 or equivalent (in USA and Canada this amount is included in the registration fee); non-refundable shipping fees may apply. In the case of visa refusal, a full refund minus the additional, non-refundable fees can only be made if the student provides the letter of refusal issued by the embassy at least 14 days before departure (evidence of visa refusal is required). After this date we will consider the participation of the student as confirmed and normal cancellation/rebooking charges will apply. In case the visa has not yet been issued 15 days before departure, we strongly recommend postponing the course. In this case, the first rebooking fee will not be charged.

5. Acceptable forms of payment: By bank transfer: The relevant account number will be sent to you. Please send us a copy of the transfer order. All bank charges will be incurred by you. By credit card: Upon your notification, the appropriate form will be sent. It will need to be completed with the name of the credit card issuer, card number, expiry date and signature. An additional 2% credit card fee will be charged.

6. Insurance: Neither agent, operator, nor the school will be held responsible in any way for any accident, illness, loss of personal effects or change in personal circumstances arising at any time prior to or during the course. We therefore strongly recommend our personal travel insurance (incl. Health, Accident, Liability, Deportation).

7. Liability: Parents of minors agree that neither Languages Abroad nor the homestay shall be liable for damage or problems caused either negligently or intentionally by their children while participating in trips. Parents and their children who are still minors recognize and accept the laws and the normal code of conduct of the country, which they are visiting.

8. Rights to image and film material: By agreeing to our general terms and conditions, you are accepting that Languages Abroad has the right to use any photos, video and sound recordings, which may be produced in the course of a language program. These materials may be used by us for promotional purposes without cost implication or the need for a separate authorization from you.

9. Disclaimer: While all information in this is accurate at the time of publication, the content may be subject to updates. We reserve the right to refuse admission or to dismiss any student from school/accommodation without any refund in the event of misconduct or unsatisfactory attendance. The school expects students to adhere to the rules set.
