>> WHAT WE LIKE:

By studying in several locations, it allows the student to see more of the country, and experience the regional differences in both culture and language. Students will spend a month in each city, live with a host family, study 4 lessons of Spanish daily and enjoy many cultural activities related to that region.

- airport pick included at all locations - make new friends each month!

>> SCHOOL FACILITIES:

All schools are centrally located with well equipped classrooms, similar size and facilities offering access to the internet and e-mail. The schools offer a good mix of international students and are close to all amenities.

>> PROGRAMS CHOICES:

Explorer Program: (20 lessons per week) Set 12 week program.

The course will help enhance your speaking, listening, grammar and general comprehension skills. Teachers will also use interactive techniques such as role-play, games and perhaps videos to support lesson content. Current political, social and cultural materials are integrated to add interest and increase knowledge of the host country and culture.

>> ACCOMMODATION OPTIONS:

Host Family (private room - 2 meals daily).

>> EXAMPLES OF CULTURAL ACTIVITIES :

Local activities could include: workshops, lectures, social evenings, trips to local galleries, museums, dance or cooking classes, theatres and places of interest. During your free time relax or explore on your own.

On the weekend many students can arrange to take excursions to local cities or local places of interest.
