### >> WHAT WE LIKE:

Center of Spain - the capital, a large bustling city with so much to see & do, hot during the summer with a great nightlife. The school location could not be more centrally located, in the historic part. The staff are great, views from the terrace are fantastic, classrooms have AC. This will always remain one of our firm favourites for learning Spanish!

### >> SCHOOL FACILITIES:

8 spacious and bright class rooms with AC, 2 large terraces which overlook the city, reception area, small library, snack bar which also serves refreshments, video room and students have access to a free internet service between breaks. The school holds a maximum of 65 students.
