

Under 18 Student Waiver

Please read carefully: Both parent/guardian and participant must sign and return this form to Languages Abroad with your enrolment form and payment.

To be completed if the student is under 18 years of age.

1. Languages Abroad programs are designed for adults and all participants will be treated as independent young adults. Students are responsible for themselves and no staff member or host family will supervise their behavior.
2. The average age of our participants is 23 years. There is no maximum age restriction, therefore, there may be a wide range of ages in any class or activity. Cultural programs and activities are tailored to the average age of the participants currently attending the program.
3. Students are expected to attend and arrive on time to classes and planned events, unless there is a valid reason.
4. For Host Family programs, participants are expected to follow all house rules set by the host family. Examples of possible house rules include being on time for meals, cleanliness, no overnight guests, curfews, etc.
5. The program accommodation is for participants only; overnight guests, including parents, other family members or friends, are not permitted.
6. Participants are not permitted to make long-distance phone calls from their accommodation. We recommend that students bring along or purchase locally an international phone card in order to call home from a public phone.
7. Participants are expected to be courteous and respectful guests and must obey all local laws. Languages Abroad reserves the right to refuse to serve, cancel and/or terminate participation for any person who fails to comply with the policies of the program, or for any other reason deemed necessary at the sole discretion of Languages Abroad or the school. *We reserve the right without escort or refund, to send home any participant who violates the rules stated above at the expense of the participant or his/her family.*

Please be advised that local laws regarding alcohol consumption differ from country to country.

8. Please confirm program arrival/departure dates on the confirmation letter you receive from our office. Extra accommodation nights before or after the program dates may be available upon request, with at least one-month advance notice - for an additional fee.
9. Parents and participants are solely responsible for transportation to and from the designated pick-up site or school location. Languages Abroad accepts no responsibility for travel delays or missed flight connections. We strongly recommend that you book direct flights to the airport closest to the school location, where possible.

We have read and agree to abide by the General Terms and Conditions of Languages Abroad. The participant and his/her parent/guardian understands that he/she is traveling under his/her own responsibility and releases Languages Abroad, its schools, and host families from any liability related to any injury, loss, damage, accident, expense or delay.
